

1) Gå til DPS' hjemmeside: [www.periodont.dk](http://www.periodont.dk)

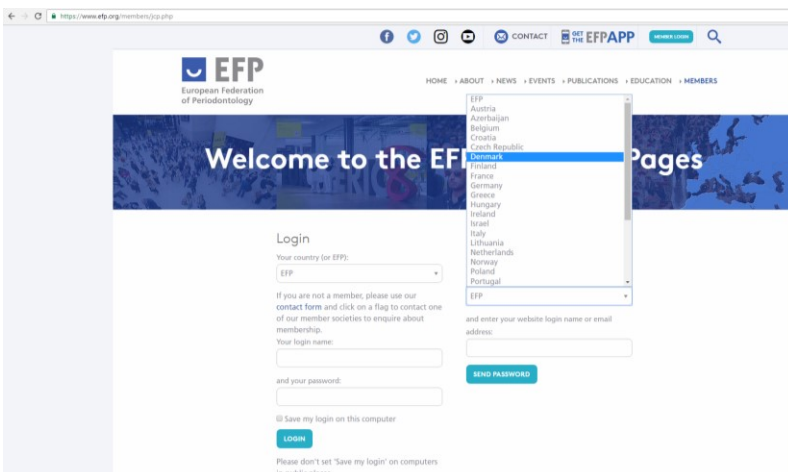

2) Klik på "Journal of Clinical Periodontology"

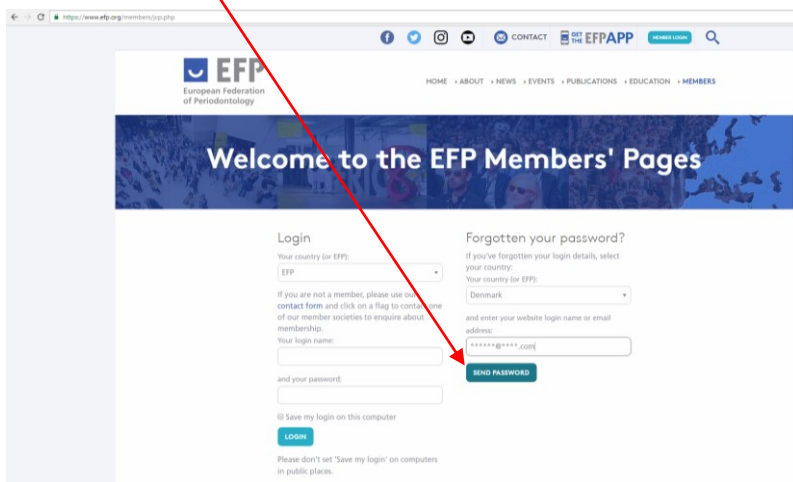

3) Klik på "Login her: <http://www.efp.org/members/jcp.php>"

4) Vælg "Denmark" og skriv din mailadresse (den samme, som den du har registreret på DPS' hjemmeside).

5) Klik på "send password"

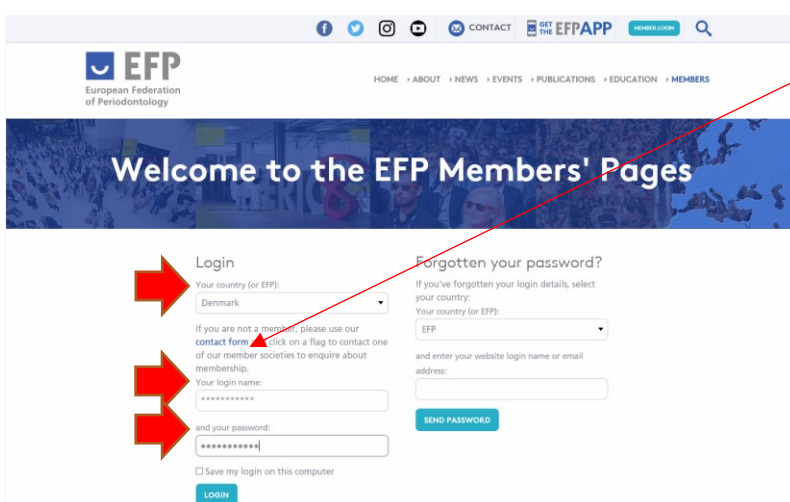

The screenshot shows the EFP Members' Pages login interface. At the top, there is a navigation bar with the EFP logo and menu items: HOME, ABOUT, NEWS, EVENTS, PUBLICATIONS, EDUCATION, MEMBERS. Below this is a banner that reads "Welcome to the EFP Members' Pages". The main content area is divided into two sections: "Login" and "Forgotten your password?". The "Login" section includes a dropdown menu for "Your country (or EFP):" set to "EFP", a text input for "Your login name:" containing "\*\*\*\*\*@\*\*\*\*.\*\*\*\*", and a text input for "and your password:" containing "\*\*\*\*\*". A "SEND PASSWORD" button is located below the password field. The "Forgotten your password?" section includes a dropdown menu for "Your country (or EFP):" set to "Denmark" and a text input for "and enter your website login name or email address:". A red arrow points from the text "5) Klik på 'send password'" to the "SEND PASSWORD" button.

6) Så kommer dit "login name" og "your password" straks på en mail til dig.

Hvis du ikke får en mailen med adgangskoden i din indbakke, så tjek din SPAM-mappe, da mailen kan være havnet der.

7) Gå til EFPs hjemmeside: [www.efp.org/members/jcp.php](http://www.efp.org/members/jcp.php) og indtast login-information.

This screenshot is similar to the one above, showing the EFP Members' Pages login interface. However, it includes three red arrows pointing to specific elements: one points to the "SEND PASSWORD" button, and two others point to the "LOGIN" button at the bottom of the "Login" section. The "Forgotten your password?" section is also visible, with a dropdown menu for "Your country (or EFP):" set to "EFP".

8) Klik på "login".
